***REASONS FOR ALLOWANCE***

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach an antenna comprising an antenna element, a cylindrical body and a guide member formed on one longitudinal end of the cylindrical body wherein the guide member has an outer peripheral face including a plurality of ridges which are arranged with a fixed interval relative to a circumferential direction of the cylindrical body and a cross section of the guide member becomes smaller toward a tip end thereof as defined in claim 1 or a method of manufacturing the antenna comprising the steps of injecting insulating resin into a first mold to form a first resin member, and injecting insulating resin into a second mold from a gate confronting the tip end portion of the first resin member to form a second resin member coated on the first resin member as defined in claim 4. Therefore, claims 1-6 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
